Undertaking

I, _____ hereby declare that I understand and agree with the following clause of the University Intellectual Property Policies:

“KFUPM will own IP developed by part-time graduate students from industry/businesses studying at KFUPM if the employer does not contribute toward the student's research, except by paying his salary and releasing him for studies and research. In the event the sponsoring company makes direct contributions, with prior approval/agreement with the University toward a student's research, the terms regarding ownership of IP will be mutually decided, taking account of the level and extent of contributions.”

In addition, I hereby pledge to declare all IP generated by me while studying at KFUPM to the Intellectual Assets Office (IAO) at KFUPM solely for possible filing of invention disclosure, commercializing and/or licensing to a third party if KFUPM decides so.
