THIS STUDENT INTELLECTUAL PROPERTY AND INVENTION ASSIGNMENT (the "Assignment") is made as of the date of signature set forth below by _____ (the "Student").

As additional consideration for (i) Student's enrollment or continued enrollment at King Fahd University for Petroleum & Minerals (the "University") and (ii) Student's use or continued use of University facilities, equipment and resources during such enrollment, and in accordance with the University's Intellectual Property Policy, the existence of such Policy which Student hereby acknowledges, Student agrees as follows:

1. Student shall promptly, from time to time, fully inform and disclose to University in writing all inventions, copyrightable material, designs, improvements and discoveries of any kind which Student now has made, conceived or developed (including prior to the date of this Assignment), or which Student may later make, conceive or develop, during the period of Student's enrollment at University ("Intellectual Property and Inventions"). This obligation applies to all such Intellectual Property and Inventions, whether or not they are eligible for patent, copyright, trademark, trade secret or other legal protection; and whether or not they are conceived and/or developed by Student alone or with others; and whether or not they are conceived and/or developed during regular University hours; and whether or not they are conceived and/or developed at University's facilities or not.
2. All Intellectual Property and Inventions shall be the sole and exclusive property of the University. Student hereby assigns all Student's rights, title and interest in all Intellectual Property and Inventions and in all related patents, copyrights and trademarks, trade secrets and other proprietary rights therein to University together with the right to sue for any past or present infringement of any of the foregoing.
3. Student shall assist and cooperate with University, both during and after the period of Student's enrollment at University, at University's sole expense, to allow University to obtain, maintain and enforce patent, copyright, trademark, trade secret and other legal protection for the Intellectual Property and Inventions. Student shall sign such documents, and do such things necessary, to obtain such protection and to vest University with full and exclusive title in all Intellectual Property and Inventions. Student hereby appoints the University as Student's attorney-in-fact to execute documents on Student's behalf for this purpose.

IN WITNESS WHEREOF, Student executes this Assignment as of the date set forth below:
