Coordinator's Opinion

The Summer Coordinator should indicate clearly the reason(s) for dropping the Summer training, whether academic or related to the work place. Please note that:

1. If a student is discontinued from the university, he will be automatically dropped from training and should **not** use this form.
2. If a student is readmitted, he has to register the Summer training through the Student Affairs using the Coop registration form.

Summer training will **not** be in the last semester for the student at the university.
