

Greetings and good day!

We would like to invite you to apply for the faculty positions currently available in the Civil and Environmental Engineering Department at King Fahd University of Petroleum & Minerals (KFUPM). The CEE Department at KFUPM offers a high-quality teaching and research environment. Its undergraduate program is fully accredited by the ABET (U.S.A.) and the graduate program is also very active with currently more than 60 M.S. and Ph.D. enrolled in the Structural, Geotechnical, Transportation, and Water Resources & Environmental Engineering areas. Furthermore, our labs are fully equipped with modern equipment and software in all disciplines of civil engineering and are backed by full time technical staff members who support both teaching and research activities. The CEE Department is also expanding its Structural Engineering Lab facility with state-of-the-art equipment including Earthquake Engineering research facilities. Furthermore, there are several funding agencies at KFUPM such as Deanship of Research (KFUPM), KACST, ARAMCO, NSTIP, SABIC, etc., which upon project acceptance, offer appropriate research grants. The university also supports attendance at 2-3 international conferences for faculty's professional growth, stimulation of research activities and exchange of ideas. As a faculty member, your responsibilities will include teaching at both undergraduate & graduate levels, developing a strong and well-funded research program, and assisting the department in other professional activities. The Civil and Environmental Engineering Department at KFUPM is actively looking to hire faculty in following areas of Civil Engineering at all professional ranks:

- A. Advanced Structural Dynamics and Modeling
- B. Transportation (Pavement Materials)
- C. Surveying
- D. Water Resources
- E. Environmental Engineering
- F. Geotechnical Engineering

**Salaries/Benefits for Each Position:** Two-year renewable contract, competitive salary based on qualifications and experience, free furnished air-conditioned on-campus housing unit, with free essential utilities and maintenance. The appointment includes the following benefits, according to the University's policy: air ticket/s to Dammam, on appointment; annual repatriation air ticket/s for up to four persons; assistance with local tuition fees for school-age dependent children; local transportation allowance; two months of paid summer leave; and, end-of-service gratuity. The KFUPM campus has a range of facilities, including a medical and dental clinic, an extensive library, computing, research and teaching laboratory facilities and a recreation center.

**To apply online:** Go to the KFUPM website (<http://www.kfupm.edu.sa/Pages/Jobs.aspx>) or email to the department at [c-ce@kfupm.edu.sa](mailto:c-ce@kfupm.edu.sa).

We look forward to receive your application.

Thank you.

*Sincerely,*

**Dr. Salah U. Al-Dulaijan**
