

INDIRECT ASSESSMENT FORM

Students Outcome (1-7) EE 411 Senior Project Design

The form will be used for program accreditation and assessment.
Your candid and honest opinion is highly appreciated.

Instructions:

1. Please give us your candid and honest feedback on your own abilities in the following skills, and attributes. Base your responses on your total learning experience as a student (courses, interactions with faculty and other students, etc.).
2. The information will be kept confidential (no personal data are collected).
3. Place a mark in the appropriate box to provide your evaluation.
4. Submit the completed form to your course instructor (hard copy only).
